## BARRIERS AND ENABLERS:

- What motivates investments in EI?
- What is needed to make a sound investment case for EI interventions at different scales?
- What are major barriers for different types of investors and implementers?

**WP1: validation** of EI Intervention Typologies

**WP3: co-designing** worst case scenario of infestation

**WP4: joint sense making** indirect benefits and co-benefits

**WP3:** A decision-makers wish list for an Alien Invasive Tree map

**WP4:** Livelihood co-benefits

**WP5:** Exploring financial mechanisms
